

UK Winter Mountain Walking – Men's

Cold weather is no barrier to your adventurous spirit with our winter walking kit list. Keeping warm is a priority when you're out walking in winter weather, but a good waterproof layer is also essential in this type of environment. Our winter walking kit list includes gear which can be adjusted depending on conditions – meaning you can enjoy the great outdoors in warmth and comfort all year round.

Kit list

Men's Technical LS Zip
Men's Activity Jacket IA
Men's Yala Peak

Men's Storm Overtrousers
Men's GR20
Arete 45

Base layer

Top

Ideal Gear: Men's Technical LS Zip

Stay warm in the cold with this close fitting Men's Technical Long Sleeve Zip Neck Tee. Ideal for use as a baselayer this versatile top, with optimal wicking performance, makes it suitable for multi season use.

Mid Layer

Top

Ideal Gear: Men's Activity Jacket

Enjoy the great outdoors responsibly and trek with a lighter environmental footprint in this Activity InterActive Fleece Jacket. This fleece is made using recycled yarns which don't compromise on performance or durability. Both warm and snug, it offers great versatility and can be worn on its own or zipped into any InterActive shell.

Pants

Ideal Gear: Ortler Pant

The Ortler Pants are your ideal companion for the cold. The reinforced fabric offers maximum protection from the cold and wind and they are highly durable – perfect for an energetic hike in the cold.

Outer Layer

Jacket

Ideal Gear: Men's Yala Peak

Team up your adventurous spirit with this Men's Yala Peak GORE-TEX® Pro Shell, for the ultimate in all-round jacket performance and protection. Take on the mountain regardless of weather or terrain; this outstanding jacket is constructed using 3 Layer GORE-TEX® Pro Shell making it more than capable of withstanding the demands of outdoors professionals and serious enthusiasts.

Pants

Ideal Gear: Men's Storm Overtrousers

Head out into the great outdoors in comfort with the confidence to face any weather with these Storm GORE-TEX® Overtrousers. Come rain or shine, winter or summer, you can depend on the 3-Layer GORE-TEX® fabric to provide you with a lightweight, durable, and protective finish.

Footwear

Ideal Gear: Men's GR20

Take on winter conditions and trek across rough ground in comfort and confidence with the Men's GR20 Leather GORE-TEX® Walking Boot. Ideal for year round use; this 3 to 4 season trekking boot is well suited to winter hikes.

Rucsac

Ideal Gear: Arete 45

For climbing, mountaineering and alpinism, you need a pack you can rely on. This ever popular men's Arete 45 Daysac is versatile, lightweight, and perfect for all year round use. Carry-comfort, perfect fit, and ease-of-use are key factors when choosing a pack and the Arete's Fusion 2 Back System and feature laden construction have them covered.
